Dated Bangalore, 8th January 1920

PROTECTION BRANCH

SR.

I am directed to say that applications from merchants in the Mysore State for licenses to import ammunition into the State from British India are at present submitted to this Residency direct by merchants. Under this procedure this office does not know the quantity in stock at the time of the receipt of the application, and it is not possible, therefore, to decide whether the license asked for can, in so far as the quantity entered in it is concerned, be granted without objection or without breaking rules.

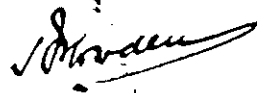

In the circumstances I am to say that the Hon'ble the Resident considers that it would be more satisfactory if, in future, all such applications were submitted through the District Magistrate concerned who might be instructed to certify the stock on hand and also to state the quantity which he recommends should be allowed to be imported under the license applied for, one allowance being made for the quantity which is likely to be sold before the receipt by the Merchant of the fresh consignment.

3: I am to ask whether the Durbar see any objection to the adoption of the proposal now advanced.

I have the honour to be,

Sir,

Your most obedient servant,

First Assistant Resident.

Bangalore.

Sir,

With reference to your letter No.G.19571-9/Pol.120-19-3 dated 25th February 1920 forwarding copy of letter No.132 dated 8th January 1920 - from the First Assistant to the Hon'ble the Resident in Mysore and subsequent reminder stating that according to the present procedure it was not possible for the Residency to know what quantity of ammunition was in stock with the applicant when he ^{next} indented for supply and suggesting that the application may be sent through the local District Magistrate who would forward the same with ^{the} needful information, I have the honor to state that the procedure will involve a certain amount of delay and that instead it may perhaps be sufficient if the applicants be asked to present along with their applications to the Residency; a certificate obtained from the local Police Officer not inferior in rank to a Police Inspector as to the stock on hand, on the date of application. This procedure will give the necessary information required by the Residency without involving any delay in replenishing the ~~the~~ state.

I have the honor to be,

Sir,

Your most obedient servant,
